Pensions & Financial Affairs

The European Association of Paritarian Institutions - AEIP

is a Brussels-based advocacy organization, representing Social Protection providers, established and managed by employers and trade unions on paritarian (equal) basis

The AEIP members are:

- ✓ Based in an EU MSs
- ✓ Non-for-profit
- ✓ Long-term institutional investors

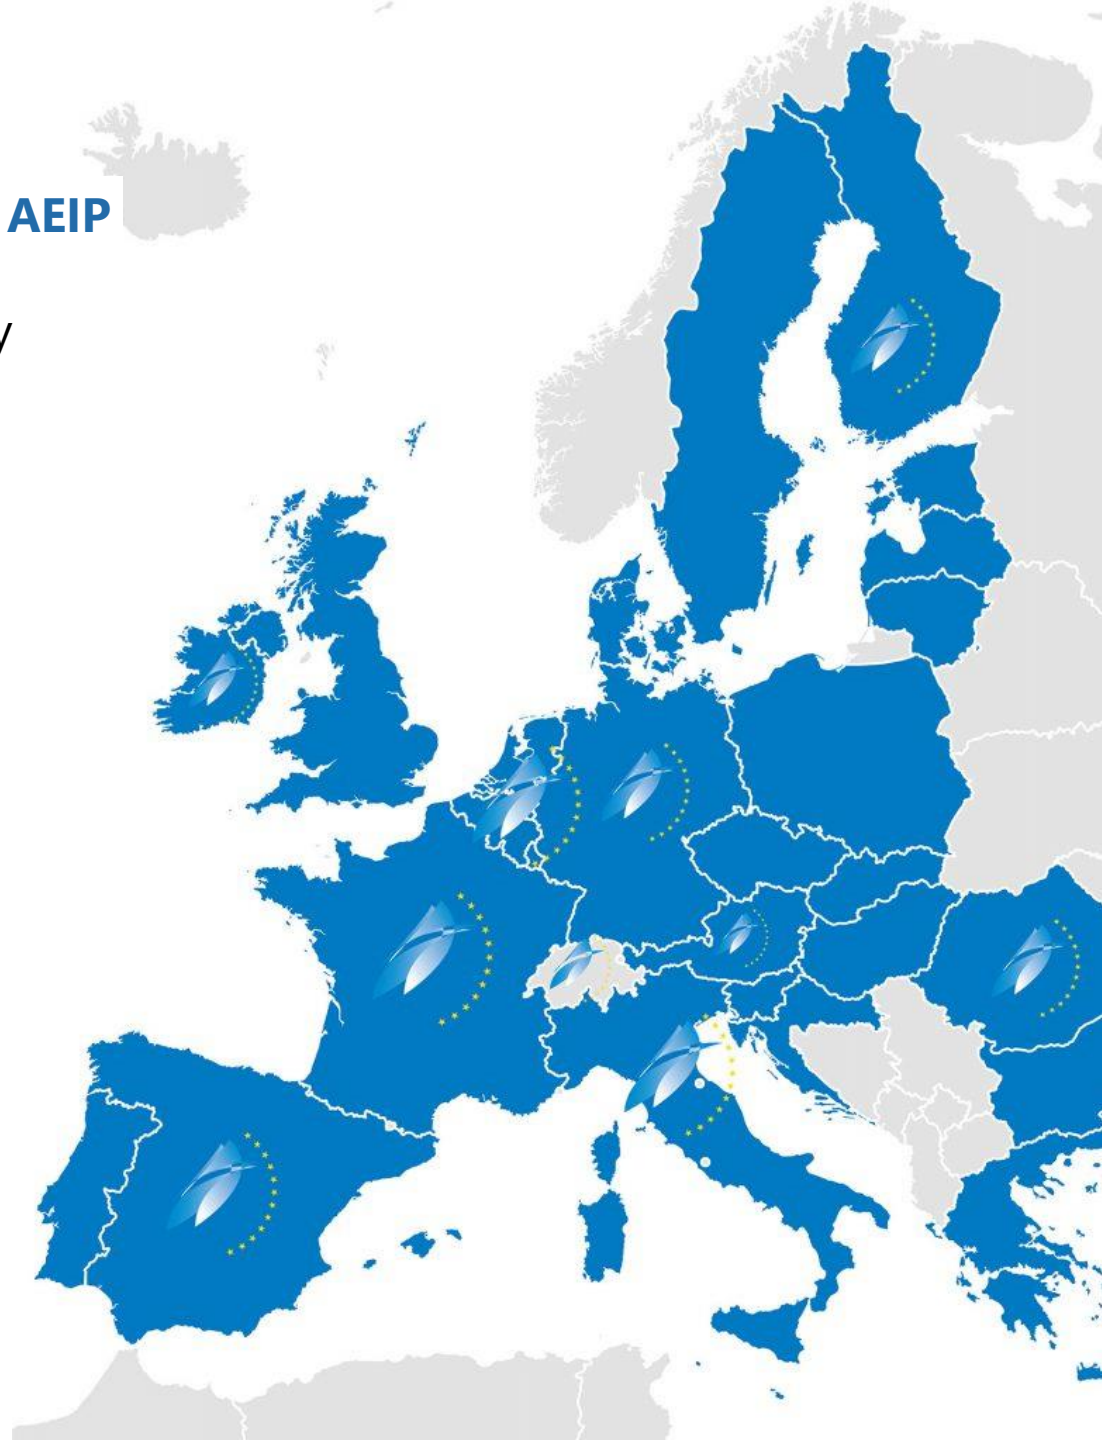

AEIP currently has:

30 members from 12 EU Countries

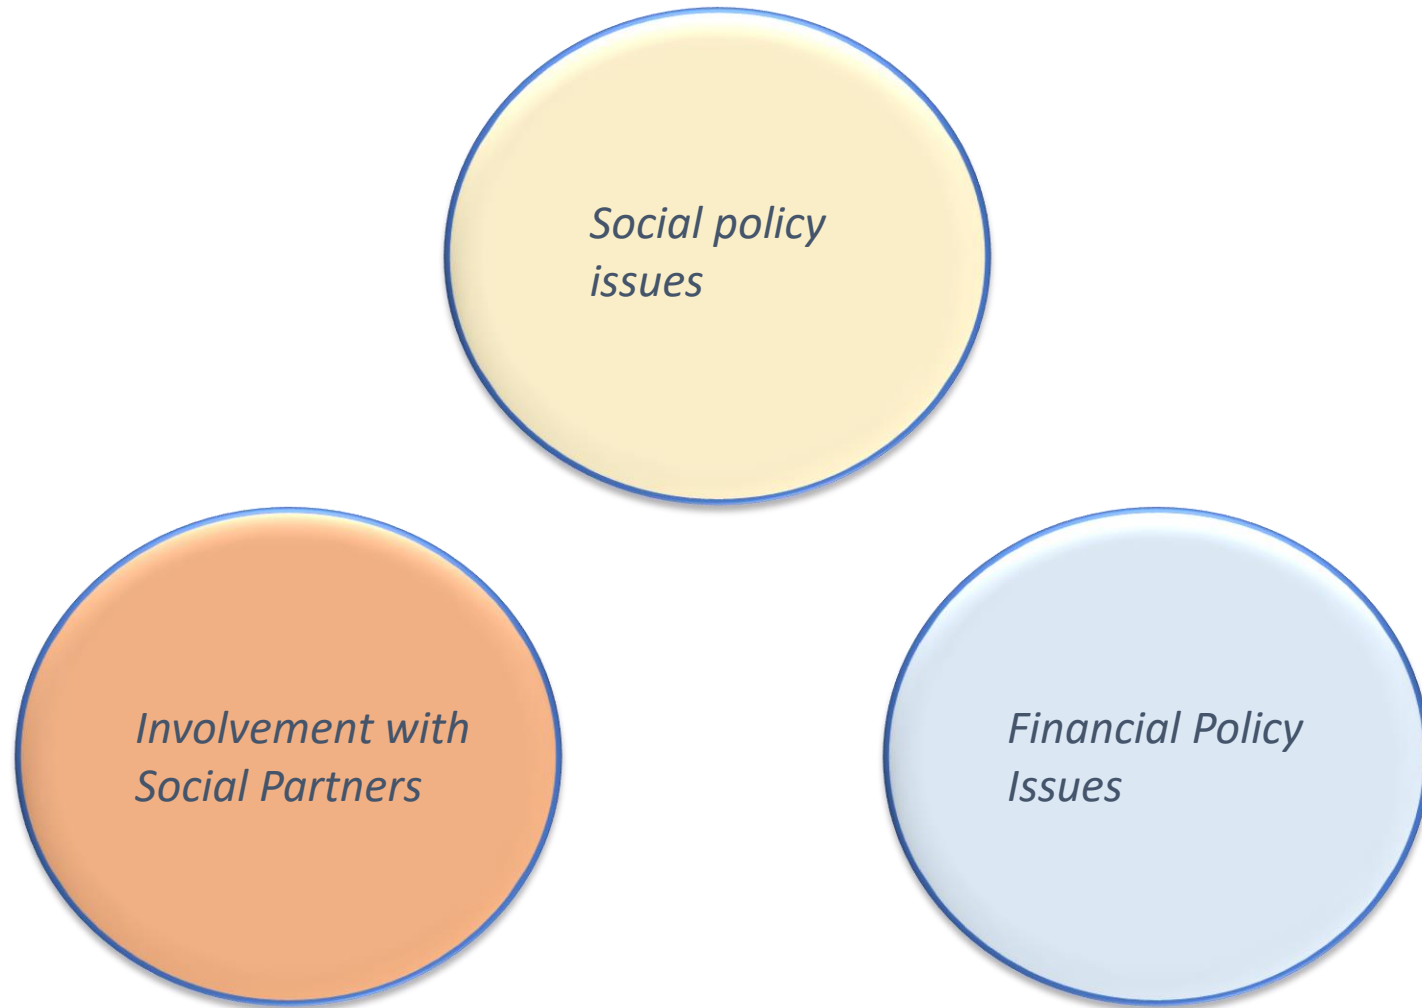

80 million European citizens covered by AEIP members

1200 social protection providers represented

1,300 billion assets under management
